Triad Supports the United Way's Day of Caring

In October, hundreds of volunteers completed projects in Washington County, Maryland as part of the 2009 United Way Day of Caring. Our Hagerstown office assembled a team to participate at a private residence located in Boonsboro, Maryland. Brad Reynolds, Branch Manager, and Brooke Wenger, Marketing Coordinator, had the special privilege of informing homeowner Rexanna Moser that she had been chosen by United Way to receive help with some home improvement projects.

Among many projects performed that day, the Triad team enclosed a porch area and installed a storm door and a window, put a new roof on an existing back porch, cleaned all gutters and put in gutter guard, sealed the roof between the existing house and garage, and various other tasks.

The most rewarding aspect of the day was not only getting to help someone in the community who needed it, but being able to spend time getting to know Rexanna.
